		French Fries	\$3.50
		House Salad	\$3.50

Irma Lou's kitchen is anchored by the founder's late grandmother, making it more than just a restaurant. Once upon a time, nestled in the heart of a quaint small town, there stood a caring woman who enjoyed sharing her passion of cooking with her family. Decades later her grandson got the bug for cooking, starting a career at Michelin Star restaurants in iconic metropolitan cities.

Our doors invite you in with a dedication to sharing their generational culinary talents with the community.

Chef: Kenny Hogue
